# SYLVIA EMARD

"Kitchen towels woven with hand-dyed worsted weight cotton in the warp; 5/2 cotton in the weft. The dark one in the center was woven in 2 panels on my rigid heddle loom with a 7.5 dent reed. The others were woven on my Baby Wolf with an 8-dent reed. On-loom dimensions were 17 inches wide by 23 inches long. After washing: 14 inches wide by 21 inches long. Very soft!"

# JUDY BLOUNT

"Here's my latest table runner woven on the Baby Wolf and given to my granddaughter's piano teacher. The pattern is Nappy's Butterfly Overshot from Davison, 10/2 pearl cotton warp and 5/2 pearl cotton weft with a strand of steel-wrapped silk that doesn't show up in the photos but adds a nice bit of sparkle, 24 epi, finished dimensions: 14" x 43". "

# MARGARET ZEPS

Undulating twill runner

Warp 5/2 cotton

Weft dragon tail 8/4 cotton

# DENISE WILD

“Shadow Weave gamp - from Jane Stafford Online Guild class. This was so much fun to do. The extra long warp allowed me to play with tons of color and treading combinations. This was probably my most favorite recent project.”

# DENISE WILD

Traditional Gamp

# DENISE WILD

Additional gamp  
explorations

# DENISE WILD

Two scarves

# DENISE WILD

3 of a batch of 6 towels woven using  
draft from a recent issues of Handwoven

# EVA DOUTHIT

"Just off the loom.  
Inspired by a gorgeous  
Western Gull."

# AMY BELGAN

*"I've decided to donate my drag queens to a good LGBTQ cause. Sexual & Gender Minority Youth Resource Center (SMYRC) will be taking them. They work with 13-23 LGBTQ youth and have activities for them such as art, music, drag shows and recently had a weaving class too! I'm soooo excited."*
