

Hello, PDX Handweavers Guild Members and Fiber Friends –

It's THAT Time!!

Annual Portland Handweavers Guild Spring Retreat 2027

2:30 PM Thursday, March 25, 2027, through Noon, Sunday, March 28, 2027

It's time to start thinking about the ***Annual Portland Handweavers Guild Spring Retreat 2027!*** The sign-up for the 2027 Retreat begins January 8, 2027 and we'd love to include YOU!! You do not need to be a member of PHG and there is no surcharge if you're not but as a PHG Member, you will get first dibs on signing up. Here's what you need to know and what you need to do:

What Do We Do at the Retreat?

- The short answer is, "Anything fibery that you'd like to do." We also have a great time socializing with other interesting Guild members, eating lovely food with NO preparation before or clean up afterwards ☺, and having dedicated time and space to work, learn, and share with other like-minded, wonderful people.
- It is an ideal place to bring any **UnFinished Object** (UFO) from the back of the closet to finish up. Or, maybe you'd like some dedicated time to work on items for the Gathering of the Guilds Sale in April?
- There are no scheduled things like classes or activities except for meals and our 5 O'Clock Happy Hour. ☺ On the other hand, there is a LOT of sharing of knowledge, techniques, ideas, conversation, inspiration, and good times.
- And, the **Sharing Table** is a great place to swap out some items you no longer need for something new-to-you for your stash.
- We have a **Sale Table**. You may bring items for sale. You are responsible for pricing and doing the sale of your item(s). Unsold items must be taken home.

The venue is Cedar Ridge Retreat and Conference Center in Veronia, Oregon

The Cedar Ridge Retreat and Conference Center has proven to be a wonderful venue for us. The Work Space is spacious, the food is good and plentiful, and the staff is superb. Add to that the fact that they love us and it's a perfect match!

Retreat Dates and Prices:

2:30 PM Thursday, March 25, 2027, through Noon, Sunday, March 28, 2027

There is a price increase this year but it's very reasonable. Please see the Registration Form below for exact costs depending on the option(s) you choose.

Note:

*Last minute meals cannot be added. ALL meal choices by ALL attendees must be submitted by the **Registration Deadline of Tuesday, March 9, 2027**. This is so the Retreat facility has an accurate headcount for meals and food orders.*

Day Tripper

Some folks who have never attended may be hesitant to sign up for the whole (WONDERFUL!) event. If you can't or don't want to stay overnight but want to get a taste of the fun we have, the **Day Tripper Option** is for you. We are very excited to offer this attendee category and hope it meets the needs of more of our members. And, if you 'Day Trip' for multiple days, you can leave your projects in place.

Please Note: We must have Day Tripper meal selections (if any) by the Registration Deadline of Tuesday, March 9, 2027. NO MEALS can be added after that date.

Food, Housing, and General Venue Information

Some basic information:

Food: They are very accommodating for anyone with special dietary needs, **within reason**. Vegetarian and Vegan menus are available and are cooked and served separately. Our group is not huge so little changes have a big impact on their ability to provide them in a cost and time sensitive way. When or if in doubt, please contact me and I'll check for you. The current example menu is below for you to study.

Housing: Rooms are individually heated and have easy access to bathrooms with toilets, sinks, and showers. They vary in size and sleep 2 to 6 people. **Individual rooms cannot be guaranteed.** Roommate requests will be honored as closely as possible. There is one designated Accessible room but all rooms on the ground floors are not difficult to access.

Lodging includes sheets and towels. Rooms are carpeted. Bathrooms are shared but are plentiful and very clean. Accessibility (flat floors to the facilities' entrances and exits and bathrooms) for anyone who needs it is also very good.

Venue: This is a wonderful venue. There is space aplenty in the Main Hall for all of us with room for multiple projects and associated equipment. The setting is open and inviting. It's full of natural light and there is a large fireplace to gather around. Food is fresh, plentiful, and delicious. The Staff is excellent and very accommodating.
